Project Name: **North Branch Pump Lateral Lining – Milepost 0.6 to Milepost5.6 – Reach 2**

Project No.: **33-NBC-1008**

Contract No.: KRD2026 GC-02

Board Approval Date: 11/02/2026

Authorized Amount (Contract Price): $ 2,895,633.00

This document serves as notification that the Contract Time under the above Contract will commence to run on 11/12/2026. On that date, you are to start performing your obligations with respect to Work at the Site under the Contract Documents. In accordance with the District Prepared Contract, the dates of Substantial Completion and Final Completion for the entire Work are 04/10/2027 and 10/9/2027, respectively.

Before starting any Work at the Site, the following is required:

1. Satisfy all **Post-Notice Award Requirements** as detailed in Section 00 20 00 (Instructions to Bidders).
2. Attend the preconstruction conference and provide the construction schedule in accordance with Section 01 30 00 (Administrative Requirements).
3. No site disturbance shall commence until notification from KRD that cultural/historical documentation has been received.
